About Us

Our facility can be outfitted with audio/visual equipment and has a self-sustained restroom. Located on the main level of the restaurant adjacent to our bar, our banquet room provides easy access to our main entry and offers ample room for guests to mingle in the bar before or after your event. All menus can be custom created for any need, or a standard list of menu items can be chosen. TREO buys all of our food from local purveyors, which give us the flexibility to design the freshest ideal meal.
